

CO-OPERATION IN  
RAIL RATES SEENJoint Exercise of State and  
National Authority in  
Nation Assured.

DETROIT, Nov. 14.—Plans for co-operation between the Interstate Commerce Commission and state railroad commissions in regulating railroad service have been carried sufficiently far to insure their ultimate success, Chairman McChord of the federal body declared today in an address before the national convention of railway and public utilities commissioners.

The joint exercise of state and national authority with elimination of conflicts between them, he said, would put the telephone utilities of the country to their greater use.

"Within the realm of commerce there should be no state lines," Chairman McChord said, "and the building up of symmetrical rate structures for the use of interstate and intrastate shipper can best be accomplished by harmony of purpose and action among the respective regulatory bodies."

"There can be no conflict of authority in harmonious action laid down in the present plan, and for the development and effectual application of the plan we need no authority of assistance."

Mr. McChord explained that the method adopted was that of having state commissioners associated with the Interstate Commerce Commission in decisions on matters of mutual interest, and having state commissions issue all necessary orders upon matters affecting service in their own state.

"Dealing on a common subject with but one justifiable end in view," the chairman continued, "we shall rightfully be adjudged features of the products of our labor are in demand. Urgent and hostile are abroad in the land and should be quieted and curbed not stimulated by official example."

MEREDITH GETS BIG  
VOTE IN OHIO COUNTYPanhandle County Only Big  
Republican County  
Still in Line.

The smoke of the battle of a week ago having cleared away, several interesting facts have come to light. Among these is the fact that Ohio County was the only large Republican county with the exception of McDowell County that stuck to the Grand Old Party and sent a majority of the Republican members back to the House of Delegates.

Another interesting fact in connection with Ohio County is that it was the only large Republican county in the state with the exception of McDowell, which is in a class by itself, that gave Howard Sutherland a majority over Mansfield M. Neely. This majority was made possible largely by the hard work of H. C. Ogden, who was one of Sutherland's opponents in the primary election.

Locally the most interesting feature of the Republican victory in Ohio County was the handsome majority given James A. Meredith of this city over his Democratic opponent for judge of the State Supreme Court.

CLEMENEAU ENJOYS  
REST ON STEAMSHIP

ON BOARD THE STEAMSHIP PARIS EN ROUTE TO NEW YORK, Nov. 14.—(By wire to the Associated Press.)—Clemenceau is enjoying a loaf that comes once in a life time.

"I never slept so much in my life," he said today.

He added that he was having a splendid time and that he never felt better.

The Tiger's words were confirmed by his healthy, jovial appearance. After yesterday's rough swells, the Atlantic is now treating the ship kindly, and she is steaming through a smooth sea. The Tiger remains in seclusion every day after lunch.
